The Greeneville Athletic club lived up to the expectations of Coach Johnson, when they lined up against the fast Taftville team on the Cramberry Saturday, defeating them by the score of 44 to 0. The forward passing was used to its best results by Quarterback Supa. Fleming showed up remarkably well. The rest of the backs Gadle and Supa were fast and also made repeated gains when called upon; Grady was on the spot for receiving the forward, going over the line with the ball four times.

As a whole it is one of the fastest and snappiest teams that ever represented the third district on the griding. Capt. Grady would like to arrange a game with Manager Bendett's fast eleven in the near future. The Greeneville Athletic club lived

was issued by Frank M. Batty and Vine S. Stetson.

Albert Stanton of Groton, proxy for Mr. Batty, who could not be present, called the convention to order. Alfred H. Pollock of New London was chosen chairman and Andrew B. Davies of this city clerk. It was voted to dispense with the committee on credentials.

William J. Brennan of New London made the nomination of Sheriff Brown.

William J. Brennan of New London made the nomination of Sheriff Brown, speaking as he did so of his belief that this was going to be a republican year, for after two years of democratic rule the people are dissatisfied. Democratic rule has failed to bring prosperity and business conditions have grown bad while they have been in power. They will blame it on the foreign war and will look upon excuse to explain their failures, but things were bad before the war came. The democrats promised great things things were bad before the war came. The democrats promised great things with a change. The change had come but it has been a change for the worse—Mr. Brennan said that the strongest possible candidates should now be nominated by the republicans and that Sheriff Brown was in that class, for he has ably filled the position, which is one that requires qualities that Sheriff Brown has shown that he possesses.

He said he had the pleasure ten years ago while in the senate to place before the body the name of Sidney A. Brown as a candidate to fill the vacancy caused by the death of George O. Jackson, and again the pleasure eight years ago to come here and make the nomination again and now he would again present the name of Sidney A. Brown before the convention

W. R. French and Choir at Sheltering Arms-Many at Social Club's Dance-Missionary Society Meets.

Sunday afternoon, speaking from the words, He careful for nothing, in everything with prayer and thanksgiving let your requests be made known unto God. In all love and tenderness God commands us to be free from care, he began. We trust our God to keep us and nothing should disturb our peace. God watches our lives in their broad outlines, but He is interested in every little detail of daily life. We may talk with Him about these, we may bring a small inhaler that comes with every little detail of daily life. We may talk with Him about these, we may bring everything great and small to Him in prayer. May we so hide our souls and our lives in the cleft of the rock that the storms about us shall only leave us abiding in the peace of God.

Mrs. F. H. Bushnell played the accompaniments for the hymns. The solo, The Homeland, given by Harold Rose was greatly enjoyed. Miss Martha Brown sang His Eye is on the Sparrow, in good voice; in the chorus the solo part was taken by Mrs. Bushnell.
